DIAGNOSIS TERMINAL

Professionals should consider prescribing—

The Memorial Society of Hawaii

(Incorporated in Hawaii 1962)

Not a business, MSH is part of a nationwide nonprofit, consumer movement to educate the public (patient and survivor) of their rights under the 1984 FTC Funeral Rule

Preplanning to assure freedom of choice, dignity, economy.

Alternatives to burial insurance and mortuary sponsored pre-pay plans - a simple savings account dedicated to a specific purpose

Preplanning avoids making decisions under emotional stress, avoid disagreements among survivors.
